

6 Simple Steps to Participate in the science Fair

1. Use the MASF Science Fair Categories and Sample Questions to think of what you want to do for your experiment. You can also go online to search "science fair ideas" and see what you come up with.
2. Decide what question you want to answer.
3. Complete the Science Fair Registration Form.
4. Turn your form in to the office.
5. Receive your packet with more detailed instructions.
6. Get Started!!

Carlson Elementary
2017 Science Fair Registration Form

If you want to participate in the 2017 science fair, this registration form must be completed and returned to the office by Friday, January 12th, 2017. Once you turn in the registration, you will receive the packet and display board.

Turn in registration as soon as possible so that you can get started on your project!!

Name: _____

Parent name: _____

Grade: _____

Phone: _____

Email: _____

Teacher: _____

Please read the science fair categories and sample questions carefully before completing the registration form.

The question I will try to answer is: _____

To be entered into the Science Fair you **must return** this form by **Friday, January 12, 2017** to the front office.

Completed projects and displays **must be** at school by **8:15AM on Wednesday February 7, 2017**.

First place winners in each category (excluding research) will **move on** to the Mountain Area Science Fair on **Friday, February 9, 2017** at Evergreen Country Day School.

For questions, contact Ms. Paiva (samantha.paiva@ccsdre1.org), Ms. Halstead (katherine.halstead@ccsdre1.org), or Mrs. Bogers (liz.bogers@ccsdre1.org).

Remember, once you turn in this registration form, you are making a commitment to participate in the 2018 Science Fair. You must finish your project and turn it in by **8:15AM on Wednesday, February 7, 2018**.
