January 25, 2019

To the Parents of Carlson Elementary School Students,

We are very excited to share with you a new program offered at the Idaho Springs Public Library! Every Wednesday from 3:30 - 4:30 pm, we provide free homework help and tutoring. This program is made possible thanks to the generosity of local volunteers, many of whom are retired school teachers!

Interested students can join us starting at 3:30 pm in the meeting room at the Idaho Springs Public Library (upper level), or we can arrange to meet your student in front of Carlson at 3:15 pm to escort them to the library.

Students can complete homework assignments, read, or work on other educational activities with the help of a dedicated adult mentor.

All ages are welcome! You can be rest assured that your child will be directly supervised for the full hour while they are at the library. After the hour of homework help/tutoring, we hope your student will browse our collections, check out books and movies, use our computers and devices, read to our story fish or play games with other kids at the library.

Please contact us with any questions you may have or if you would like to make arrangements for us to meet your child at Carlson.

Thank you and we look forward to seeing you (and your child!) at the library!

Best,

Cameron Marlin
